
Outreach Committee

Update

- Last year, we have had a robust outreach program;
 - Expanding mentor/mentee program, with breakfast at ISIT
 - WithITS panel at ISIT on success in industry for female workers and their supervisors
 - There are many directions in which to grow this effort
 - Grow and begin evaluation of mentor/mentee program
 - Provide other mentoring resources (tenure demystified, student recruitment workshops, interviewing workshops for postdocs)
 - Provide joint events with sister societies (ComSoc, N² Women)
 - The effort, if approved by the BoG, will be led by:
 - Todd Coleman (UIUC) – chair and lead for the mentorship program
 - Christina Fragouli (EPFL) – lead for WithITS
-
