10:15-10:30		Tea Break (15 minutes)				
10:30-12:10		Algebra Codes (5) Coding and Communs. (5)	LDPC/Turbo Codes-1(5) Information Theory (5)	FEC Coding (5) Detection Techniques (5)	AD HOC (4) Source Coding (5)	
12:00-13:00		Lunch				
13:30-14:45		3 invited talks, each 25mins	3 invited talks, each 25mins	3 invited talks, each 25mins	Guided Tour to Sanxingdui Wonder (Ancient City) and Giant Panda Base (Panda Breeding Area)	Optional excursion to Jiu Zhai Gou, Emei Mountain, etc.
14:45-16:05		Codes for Erasure Channels(4) Space-time Coding-1 (4)	LDPC/Turbo Codes-2(4) MIMO Detection (4)	Cooperative Coding (4) Fading Channels (4)		
16:05-16:25	Registration	Tea Break (20 mins), total 56 posters, about 19 posters per day				
16:25-18:05		Iterative Decoding (5) Space-time Coding-2 (5) Poster-1 (22)	Coding Analysis & Design(5) Multiple Access (5) Poster-2 (17)	Network Coding (5) Data Compression (5) Poster-3 (17)		
Evening	Reception				Banquet Dinner	

Notes:

1. Program consists of 4 plenary talks (45 minutes each) + 21 invited talks (single session, 25 minutes each) + **93** oral presentations (parallel sessions, 20 minutes each) + **56** posters (half day).
2. There are 3 poster sessions arranged during the 3 afternoon tea breaks (16:05-18:05pm), each session has about 20 posters (total **19+19+18=56**).

3. **All optional tours start on Friday, August 25, 2006.** For example, the Jiuzhai Gou and Huanglong National Park tour (No.2) will start on Friday morning, October 27, 2006, and will return to Chengdu on Sunday October 29, 2006 (at approximately 6:00 pm, to be finalized later).
4. On spot Registration starts at 4:00 pm on Sunday and at 7:30am on Monday.
