August, 2011

• **Thanks to**
  – our student discussion leaders
  – Salim El Rouayheb (organization)

• This year in addition to “regular topic tables”, there was a “Mystery table”
• Volunteers at this table talked about the “future” of IT.

• Lunch was provided
Student Committee

• The committee runs thanks to student volunteers.

• A big Thanks to my co-chairs
  – Salim El Rouayheb
  – Mustafa El-Halabi
  – Ye Tian

• and event volunteers
  – Samantha Summerson
  – Rajiv Soundarajan
  – Ravi Tandon

Call for more volunteers: Please encourage your students to participate in the student committee!
On a personal note...

• This is my last “Student Committee Report”.
• I would like to thank the BoG members of 2007-2011 very much for their support of the student committee, and in particular of THE SCHOOL initiative.
• I would also like to thank the next chairs for agreeing to take on this most rewarding service. The student committee is in very capable hands.
