IEEE Information Theory Society
President’s Report

Emina Soljanin

October 2019 BoG Meeting, Rutgers
Some Info About the Agenda

BoG Vote to Approve
The BoG elections will close on November 27.

We have one BoG resignation and will conduct within-term vacancy elections.

We have two candidates for the N&A committee

Giuseppe Caire and Emanuele Viterbo

and will select one by e-mail voting to serve 2020 - 2022.
Some Committee Updates

- We had substantial committees’ feedback (see the ISIT BoG meeting consent agenda), some relevant to (possible) Bylaws revisions.

- The External Nominations Committee has arranged a nomination of Katalin Marton for the Emmy Noether Lecture (AWM Award).

- The Online committee has two new members, and will start the site updates soon with the money approved at the ISIT BoG meeting.

- The ad-hoc Movie Committee has been working with the movie director on the distribution. We had 4 very successful screenings.
1st Issue: *Deep Learning: Mathematical Foundations and Applications to Information Science*
Accepting papers through Oct. 15, 2019.
Expected publication in April/May 2020.

2nd Issue: *Quantum Information Science*
